

M67

Vocal Microphone

M 67

FEATURES :

- Cardioid polar microphone
- Stylish, qualitative, dynamic microphone
- Made with neodymium magnet
- Feedback is reduced to a minimum
- Provided with on/off switch

APPLICATIONS :

Thanks to the neodymium, the M67 is perfect for presenters, singers and vocal presentations.

M 67

A fully featured, dynamic general-purpose microphone for the budget conscious performer who wants style, audio quality and a product that works hard...

High sensitivity: its neodymium element makes the M67 perfect for presenters and singers.

Due to its unidirectional (kidney) polar pattern, this microphone's feedback is reduced to a minimum. The model is fitted with an on/ off switch.
