### description:

Great sound - also runs with 100 volts

You want reliable and balanced sound for your bar, restaurant, shop or the conference area of your hotel? You need indoor and outdoor speakers? With the OPD series you get powerful installation speakers that meets all your requirements.

The speakers have a brilliant sound pattern and are available in a low ohm (16 ohms) and in a 100 V version. These two cover both small and large installations. A rotatable mounting bracket is included in the delivery. A swivel wall mount with matching colors is optionally available.

With their weatherproofed (IP54) plastic cabinet the ODP speakers are well prepared for outdoor use, indoor use is of course also possible.

### features:

- 16-ohm PA speaker systems with an excellent sound for general applications
- 2-way system with 15 cm woofer (6") and 2.5 cm dome tweeter (1")
- Weatherproof plastic cabinet (IP54)
- Swivel mounting bracket for wall installation
- Swivel and tilting wall bracket for wall installation
- Connection via screw terminals as accessory
- Packed as a pair
- Ideal for PA applications in restaurants, bars, shops or conferences
