# STORAGE CART

Organize, store and transport your tools, supplies and other essentials with our Storage Cart. Using our modular system, you can build your ideal Storage cart in two heights, 110 cm or 203 cm. Plastic crates of six different sizes can be mixed and matched to customize the interior of the cart.

## KEY FEATURES

### **Design your ideal cart**

Build your Storage cart in two different heights and design its interior in a configuration that best suits your needs.

### **Flexibility**

The storage configuration can be quickly readjusted based on the requirements of each job by changing the crates combination.

### **Sliding crates**

Easy access to the equipment by smoothly sliding the crates in and out.
